MAIN FUNCTION

Deliver Convenience and Productivity

HD

HD audio for speakerphone and handset

With newly-added support for Opus and a large audio cavity, X210 brings strong, abundant low frequency effect. The speaker adopts full net coverage, delivering crystal clear, life-like voice communication.

4.3" main color display 2×3.5" side color displays

Elegantly designed and featuring a large 4.3" high-resolution color display and two convenient 3.5" side color displays make using this IP phone more intuitive than ever.

Unified Designed With Two Side Displays For Up To 106 DSS Keys

Convenient operation on X210 with two 3.5" side DSS Key displays, no need to add external extension modules. Up to 106 DSS keys are available in total for BLF, speed dial, group broadcasting function etc.
